Overseas emergency healthcare cover

What is it? Use of services and time limit

This is a policy add-on which will cover emergencies abroad due to illness or accident, **provided that the care required occurs within 90 consecutive days from the start of the trip.**

For everything that does not expressly go against the provisions of this add-on, the provisions of the policy terms and conditions, including its limitation clauses and exclusions, will apply to the urgent medical care abroad guarantee.

To cover this care, **it is essential for the Insured to be up to date with payment and, before any medical service is provided (except in a life-threatening emergency), SANITAS must be contacted and prior authorisation sought** via the phone number on the back of the card. In the event of a life-threatening emergency, the Insured shall visit the nearest clinic or hospital and must report this to SANITAS within a maximum of 7 days starting from the date of admission, supplying Sanitas with a copy of the emergency report.

For Sanitas to accept the care provision, all the required documents must be supplied (travel receipts, medical report justifying the emergency and all other reports needed, bills and payment receipts).

What is not included?

- **medical expenses abroad under €3.**
- **costs arising from the diagnosis or treatment of a physiological condition or an illness that was known about before the trip began, unless it is a clear or unforeseeable complication; treatments arranged in Spain;**
- **mental and chronic illnesses causing alterations in the Insured's health.**

What services are included?

1. Medical Costs

During the validity of the policy SANITAS guarantees the Insured emergency healthcare assistance abroad for:

- medical expenses (doctors, surgeons and hospitals/clinics)
- medicine prescribed by a doctor
- emergency dentist expenses **up to €300 per Insured, excluding expenses related to endodontic treatments, cosmetic reconstructions of previous treatments, teeth cleaning, caps, and implants**
- Hospital fees
- Fees for an ambulance ordered by a doctor for a local journey

All of these expenses must be incurred outside of Spain and provided through the centres appointed by SANITAS.

Limits

€12.000 per person and year.

2. Transfer of sick and injured individuals to a care centre

What is included?

SANITAS will pay for this transfer under medical observation through to the care centre where the patient can be treated.

SANITAS medical service shall decide on and choose the means of transport and medical centre/hospital the Insured must attend, in accordance with the medical order applicable to the case.

3. Extension of a companion's hotel stay for hospitalisation of the Insured

When the Insured has to be admitted to hospital on a doctor's orders and in accordance with the medical service, SANITAS shall reimburse the costs arising from the necessary extended hotel stay for their companion - if also Insured by Sanitas - **up to a maximum of €60 per day and up to a maximum of 10 days.**

4. Family member's travel and stay to accompany the Insured in hospital

If during the trip the Insured should be hospitalised for more than five days and no direct family member is with him or her, SANITAS shall make a regular-flight, return plane ticket (economy class) or train ticket (first class) available to a companion with regular place of residence in Spain. SANITAS shall pay **up to €60 per day for up to 5 days** in respect of hotel accommodation to cover this person's costs.

5. Transport in the event of death

In the event of the death of the Insured, SANITAS shall organise and meet the expenses for the transfer of the coffin to the place of burial in the country of his or her usual place of residence, as well as the minimum compulsory coffin expenses, embalming costs and administrative formalities. Where applicable and following a request from the Beneficiaries, SANITAS shall meet the costs of incineration in the place of death and transportation of the ashes to the place of burial in the country of his or her usual place of residence. **SANITAS will not meet funeral or burial expenses.**

6. Early return of Insured accompanying relatives

If the Insured is transferred by reason of death under the cover "Transfer in Event of Death" and this circumstance prevents accompanying Insured family members from returning to their homes by the means planned originally, SANITAS will bear the cost of their travel to their permanent place of residence in Spain. **Maximum two adults and accompanied children under the age of 14.**

7. Accompanying children

If, during the term of the contract, Insured persons travelling with disabled persons or children under 14 years of age cannot look after them due to a sudden illness or accident covered by the Policy, SANITAS shall arrange and cover the costs of outbound and inbound travel of a person

residing in Spain named by the Insured or his/her family to accompany children on their return to their habitual residence in Spain as quickly as possible.

8. Search and retrieval of luggage and personal belongings

If the Insured has his/her luggage delayed or lost, SANITAS shall help in its search and retrieval, advising on how to file the corresponding formal complaint. If the luggage is retrieved, SANITAS shall send it to the Insured's habitual residence in Spain, providing the presence of the owner is not required for its recovery.

9. Dispatch of documents and personal belongings overseas

SANITAS shall organise and take care of essential items for the journey which have been left at home (contact lenses, prosthetics, spectacles, credit cards, driving licence, ID card and passport). This service extends to posting the same items home if they have been left behind on the journey or recovered after theft.

SANITAS shall only organise the dispatch and postage for parcels weighing no more than 10 kilogrammes.

10. Advance of funds

SANITAS shall advance funds of **up to €1,500** to the Insured, when required. SANITAS shall require some kind of special guarantee ensuring the Insured repays the advance. In any event, the amounts advanced shall be returned to SANITAS within a maximum period of 30 days.

11. Legal advice

If the Insured is incarcerated or prosecuted as a result of a traffic accident, SANITAS shall pay **up to €1,500** for lawyer and attorney fees incurred for the legal assistance provided. If this service is covered by the Motor Insurance Policy, it shall be considered an advance and SANITAS shall reserve the

right to request a special guarantee from the Insured to ensure payment of the advance.

12. Advance of the amount for bail demanded abroad

If the Insured is prosecuted or incarcerated in the country in which it arises, SANITAS shall issue an advance equal to the amount of bail demanded by the local authorities **up to a maximum of €10,000**. SANITAS reserves the right to request a special guarantee from the Insured to ensure repayment of the advance. In any event, the amounts advanced shall be returned to SANITAS within a maximum period of two months.

13. Dispatch of medication

What is included?

If the Insured needs a medicine prescribed by a doctor and cannot acquire it in the place where he or she is holidaying, SANITAS shall locate it and send it to him or her by the fastest means and in compliance with local laws.

What is not included?

Cases where the medicine is no longer manufactured and is unavailable in the regular distribution channels in Spain are excluded. The Insured shall repay SANITAS the price of the medicine upon presentation of the bill.

14. Transmission of urgent messages

SANITAS shall, through a 24-hour service, accept and transmit urgent messages from the Insured, so long as they have no other means of making them reach their destination and so long as they are a consequence of a guarantee covered by the contract.

Second medical opinion cover

Includes a second opinion on medical diagnosis or treatment in the event of serious

chronic diseases requiring scheduled care of which the course may require new diagnostic tests or therapeutic measures and whereof the life prognosis is seriously compromised. This second opinion shall be issued by a medical report by leading specialists, healthcare centres, physicians or academics in any country in the world, designated by SANITAS.

To use this service, the Insured can call 93 25 40 538 for an explanation of the procedure to follow and the documentation to supply, which shall include written medical information, X-rays or other image diagnoses, excluding dispatch of any biological or synthetic materials. The dossier shall be sent, with due confidentiality, to the specialist or centre concerned, according to the disease being treated.

When the process ends, the Insured will be sent a second medical opinion report which will include:

- Summary of their clinical history.
- Opinion of the experts consulted.
- Curriculum vitae of these experts.

During the whole of this process the Insured shall be accompanied by a consultant physician responsible for managing the case and advising the patient at all times.

Acute diseases or those requiring an urgent answer are excluded from this service.

Consultations, tests or treatments not performed in accordance with the rules or covers of the healthcare policy will not be covered.
